## MORE OPTIONS FOR MORE FISHING DAYS.

When you've promised your kids or your buddies a day hooking fish on the river, the Pro V will always make you look good. We took our best-selling Sportsman model and gave it more: more room for your crew, more stability to ensure their safety, and more hull strength for the days Mother Nature isn't cooperating. You'll find more fishing space and a wider hull than other boats in its class, as well as a more aggressive V and increased fuel capacity. The Pro V means one thing: more fishing days on the horizon than you thought were possible.

## FRESHWATER RIVER & LAKE

### A LONG-AWAITED EXTENDED TRANSOM ON AN EXTENDED HULL.

Experienced fishermen told us that our Pro V would be perfect if we would just add an extended transom—and so we have. In typical Hewescraft fashion, we built our new extended-bottom transom longer (by 7") and wider (48" instead of 24") than the competition. Our new "ET" provides more lateral stability and a longer-running surface than our closest competitor.

### THE HEWESCRAFT LIFETIME WARRANTY.

Hewes Marine Company, Inc. offers a lifetime hull warranty on all welds to the original owner. This limited warranty is transferable to subsequent non-commercial owners for a total of 10 years from the date of sale to the original owner. For details, refer to the Hewescraft Limited Warranty; available from your Hewescraft dealer or from Hewes Marine Company, Inc.

### EZ LOADER TRAILERS.

Your Hewescraft rugged aluminum boat deserves a trailer to match. EZ Loader's galvanized trailers deliver an exceptional value and a custom fit with your new Hewescraft.
