## OUTSIZED POWER IN A MID-SIZE PACKAGE.

The Sea Runner gives you the versatility that a true mid-size boat requires. It features the easy navigability to cut circles in a lake, but also the deep-V hull that can take on choppy waters offshore. Our customers in the Pacific Northwest love the Sea Runner because it's easy to tow, easy on fuel, and still tough enough to comfortably slice through the surf and keep the trademark Hewescraft safety promise. In fact, you'll find that this rugged boat can pretty much do it all, for years to come.
