WE'VE HANDLED SAFETY. YOU HANDLE THE FUN.

We've learned that the best way for your family to enjoy the lakes and rivers of the Pacific Northwest is to leave your worries behind. That's exactly why we created the Sportsman, which offers a combination of strength, safety, economy, and ease-of-use that no boat in its class can match. The Sportsman gives you the proven strength of our all-welded aluminum construction, yet it's still light enough to be quick on the water, easy to tow, and easy to store. And with its exclusive gunwale flotation system and high sides, the Sportsman is also light on concerns. That's something every family loves.
